

Common Risk Management Mistakes—Online

Course Description

Through video clips, exercises and examples this course will cover the process of risk management, explain the errors people make each step of the way and provide Tricks of the Trade® from around the world for advanced risk management. Based on the award winning book *Risk Management Tricks of the Trade® for Project Managers*, this captivating course is full of real world information as well as Rita's signature humor.

If you can imagine how valuable it would be to have one of the world's foremost experts on project risk management explain the errors others are making around the world, you can see how valuable this course will be for you!

If you need a more comprehensive course in Risk Management, please review our Risk Management, Tricks of the Trade e-Learning course, which is based on Rita's extremely popular classroom-based Risk Management course.
