

## PMP® Exam Prep Refresher

### Course Description

Are you just a few hours away from being ready to sit for the PMP® exam? Do you have gaps in your exam-related knowledge that still need to be filled? Could you benefit from the guidance of an expert to finalize your preparation and help you achieve a passing score? If so, this new Live Online Course from RMC was created specifically for you.

During this 6-hour Live Online course, the instructor will work with participants on the most challenging areas of the PMP® exam, and review a number of common issues that prevent students from passing. The instructor will also explain the process of applying the PMI methodology to situational exam questions—and each student will leave the course with their own Final Study Plan.

### Course Objectives

### Pre-Requisites and Preparation

Because this is a true “Refresher” course, participants in this class must actively be in the process of studying for the PMP® exam, or must have completed their studies within the last two years and not taken the exaPrem. In both cases, it is also required that participants have utilized RMC classes or materials to prepare for the PMP® exam. This refresher course is designed specifically for students who have:

- Participated in an RMC classroom-based PMP® Exam Prep course—either 2-Day or Accelerated;
- Taken the RMC PMP® Exam Prep Online course; or
- Utilized the complete PMP® Exam Prep System (book, flashcards and exam simulation software).

Also note that each registrant will be required to complete 3 to 4 hours of work prior to this refresher course, which will be emailed to each student upon registration. **Students must also bring a copy of PMP® Exam Prep, 7<sup>th</sup> Edition and a copy of the 5<sup>th</sup> Edition PMBOK® Guide to class, and have an active PM FASTrack® installation.** A special 3-month PM FASTrack® License (or License Extension) can be purchased from Customer Service for an additional \$75.

### Course Materials

Students will receive the following materials with the course attendance:
